

**REMARKS**

The Office Action dated September 27, 207 has been received and carefully studied.

The Examiner requires election of one of two patentably distinct species: compounds of formula I or III. Applicants hereby elect compounds of Formula I.

The Examiner further requires election of one single disclosed species. Applicants hereby elect the compound of Example 056.

The Examiner requires Applicants to define R for Formula I with a particular species. Applicants hereby define R as a 3-benzenesulfonylpropionyl group.

Claims 1-4 and 6-17 read on the elected invention.

Respectfully submitted,
